

PARENT AND TEACHER INVOLVEMENT ORGANIZATION (PATIO)

The mission of the Parent and Teacher Involvement Organization (PATIO) of SMDS-RJA is to support the school mission and promote the best interests of the students of The Saul Mirowitz Day School-Reform Jewish Academy. In addition, the PATIO is established to help SMDS-RJA thrive: to support the school's administration and teachers and to help build community.

Parents of SMDS-RJA are invited to monthly PATIO meetings to discuss implementation of school related activities, to share ideas for future programming and fundraising activities, and to enjoy getting to know one another. PATIO seeks input from all SMDS-RJA parents. The distribution of minutes following each meeting ensures that parents are kept up-to-date on current topics of discussion.

Your yearly dues of \$35 per student, collected at the beginning of each school year, goes directly to support the variety of activities throughout the year.

Please complete this form and return it with your dues, **made payable to PATIO**, to school. Include "PATIO dues" on the memo line.
